

CPC30211 - Certificate III in Carpentry

Overview

This qualification covers the skills and knowledge required for employment as a Carpentry Tradesperson, covering work in residential and commercial applications. You will learn the foundations and skills to professionally produce quality work, you will learn about the context of the building industry and safe work practices.

Duration

This program is offered as a 48 Month (4year) Australian Apprenticeship Training Contract.

Note: usually completed in approx. 3.5 years You will be assigned an ATEC Case Manager who will work with you and your employer to develop a Training Plan that suits the needs of you and your employer.

Assessment

There are theory and practical training and assessment components to the course. Skills will be trained and assessed through a blend of off-the-job (trade school), self-paced study and on-the-job training.

Entry Requirement

Participants MUST:

- Be signed into an approved Training Contract with an employer through an Australian Apprenticeship Support Network
- Be 16 years or older for a standard apprenticeship training contract; or
- 15 years or older for a school based apprenticeship training contract
- Be an Australian/New Zealand Citizen or hold an eligible VISA.
- Have the ability to read, write and understand basic English and carry out basic mathematical calculations.
