APPRENTICE & TRAINEE EMPLOYMENT MADE EASY

ATEC

Group Training

We prepare apprentices for work, look after their training and manage the apprenticeship administration to help you build your skilled workforce.

What are the benefits for your business in ATEC's apprentice hire service (ATEC Group Training)?

Employing an apprentice through ATEC Group Training is extremely cost effective; you only pay for the time that the apprentice is in the workplace, reducing the administration and headaches of employing your own staff.

Facts at a glance:

- **There are reduced administration costs.** ATEC Group Training manages all the administration and paperwork including awards, payroll and Workcover allowing you to just focus on your business.
- **Flexibility.** Hire from 2 weeks to the term of an apprenticeship. You retain the right of return should the apprentice not perform to expectations, or if economic circumstances prevent ongoing employment giving you peace of mind.
- **Comprehensive support and regular mentoring.** We manage the apprentice to maximise skills development, productivity, and usefulness to your business.
- **Financial simplicity.** You pay for hours worked by way of a weekly invoice.
- **Extensive selection, recruitment, and placement** of an apprentice, ensures you have the best fit for your business. The best fit for your business is our priority and we also ensure a minimum standard of training where needed before the apprentice starts with you.

- **Trade qualified staff** with flexible training options.
- **Regular mentoring of your apprentice.** We are in frequent contact with the apprentice, ensuring successful employment with employers.
- **Quality endorsed service.** ATEC's apprentice hire service (Group Training) is accredited against the national standards for Group Training Organisations.
