

Safe Environment for children and young people 'through their eyes' (Refresher)

Overview

'Through their eyes' (Formerly knowns as Child safe environments) has been developed by the Department of Human Services in line with the Children and Young People (Safety) Act 2017, and explores child abuse and the legal obligation for mandated notifiers to report suspicion of risk of harm in Children and Young people. This program is suitable for all South Australians **not** working in an Education setting.

Note: this course has superseded the previous 'Child safe environments' course any current 'Child safe environments' certificates you hold are compatible with the new course.
