

(LF) Forklift Training & Assessment

(2 Days Intermediate Operators)

TLILIC0003 - Licence to operate a forklift truck

RTO CODE: 0022

Overview

Our 2-Day forklift course is for learners that **have previous on the job experience operating a forklift**. It provides the skills and knowledge required to operate a forklift truck safely in accordance with all relevant legislative requirements. This course is required to be completed and passed so that you may apply for and be issued with a High-Risk Work Licence for forklift (LF class) issued by SafeWork SA.

Duration & Assessment

The 2-Day training course that we offer at ATEC involves a 3-Stage learning process, as follows:

- **Stage 1:** Pre-course reading **must** be read before attending to familiarise yourself with the course content, which will be emailed to you once enrolled.

This will need to be completed to attend stage 2 of the training

- **Stage 2:** Day 1 of the face-to-face theory & practical block at our Lonsdale site.

This will involve the:

- Calculation Assessment
- Forklift Checks/Maintenance; and
- Practical forklift skills training

Training delivery and assessment are completed against the unit TLILIC0003 Licence to operate a forklift truck. Successful completion of this unit will allow you to move on to **Stage 3**, the final stage of the assessment.

- **Stage 3:** Day 2 SafeWork SA Theory & Calculations Assessment – Closed Book & Practical HRWL Assessment by an approved SafeWork SA Assessor.

Day 3 is controlled by Safe Work SA entirely, as this is the High-Risk Licence component of training, it is far more stringent on the assessment and resulting process. The SafeWork SA day involves the:

- Theory & Calculation Assessment – Closed book
- Practical Assessment - Practical Assessment

ATEC follows all guidelines set out by SafeWork SA and asks all participants to do the same by listening and following instructions laid out by your trainer and suggests paying attention and taking notes throughout the course. This will considerably increase your chances of passing the SafeWork SA assessment. If this is not done, it will lead to a 'Not Yet Competent (NYC)' result.

Those who receive a **NYC** will have to reschedule for the SafeWork SA component only at a cost of \$575.

Entry Requirements

Participants **MUST:**

- Be at least 18 years of age
- Be an Australian/New Zealand Citizen or hold an eligible VISA.
- Basic command of English language
- Must have previous forklift truck operating experience
- Reading and writing – a learner must be able to read, comprehend and write a range of texts
- Oral communication – a learner must be able to use and respond to spoken language
