

(LF) Forklift Training & Assessment

(2 Days)

TLILIC0003 - Licence to operate a forklift truck

Overview

Our 2-Day forklift course provides the skills and knowledge required to operate a forklift truck safely in accordance with all relevant legislative requirements. This course is required to be completed and passed so that you may apply for and be issued with a High Risk Work Licence for Forklift (LF class).

Note: Our 2-day Forklift Training Course is designed for experienced forklift operators.

Duration & Assessment

The 2-Day training course that we offer at ATEC involves a 3-Stage learning process, as follows:

- **Stage 1:** Pre-course online theory – consisting of our learner resource and an 84-question (true/false & multi choice) assessment.
This will need to be completed to attend stage 2 of training
- **Stage 2:** Day 1 of the face-to-face theory & practical block at either our Lonsdale or Ottoway site (Covering calculations, forklift checks/maintenance and practical)
- **Stage 3:** Day 2 SafeWork SA Theory & Calculations Assessment – Closed Book & Practical Assessment by an approved SafeWork SA Assessor.
